Celebrant Wedding Ceremonies

CELEBRANT
Foundation & Institute®

How is a Celebrant Wedding unique?

Your wedding ceremony should be personal, reflecting who you are as individuals and as a couple. A Wedding Celebrant certified by the Celebrant Foundation & Institute will take the time to understand your beliefs, your values, and what makes your bond unique.

In a Celebrant ceremony, you are empowered. Nothing is imposed on you. Instead, in a collaborative process, the Celebrant will guide you in choosing rituals, readings, symbols and music to fulfill your ideals and vision for your wedding. No two Celebrant ceremonies are the same.

Celebrants are ceremony specialists who have a solid background in the history of ritual, ceremony and the traditions of many cultures, beliefs and religions. They are experts at managing rehearsals and performing weddings. They are experienced in the art of ceremonial public speaking.

The Celebrant will:

Meet with you at a no-obligation interview to discuss your vision of the ceremony

Listen to you to learn your personal story

Consult with you until the ceremony is just right

Rehearse with you at your venue

Provide you with a beautiful keepsake copy of your ceremony

“We wanted to thank you so much for all of the time you spent designing the perfect wedding ceremony for us. When we first started planning, we had no idea that we would end up with a personalized, beautiful ceremony.”

~ Connie & Chris

Who should choose a Celebrant?

Anyone and everyone! Whether you are secular, religious, spiritual, nondenominational, part of an interfaith or multicultural couple, or if you simply wish to express yourself in a manner of your own choosing, a Celebrant can help you create a ceremony that respects all that is meaningful to you.

“EVERYONE commented on how personal and different our ceremony was. It was so amazing and perfect.”

~ Lauren and Dave

The Celebrant Foundation & Institute is a non-profit educational institution dedicated to helping individuals, couples, families and communities mark life's milestones with personalized ceremonies. Celebrants have performed over one million ceremonies worldwide. Celebrants officiate at virtually every life event, including weddings and commitments, funerals and memorials, baby namings and adoptions. With a focus on personalizing each ceremony to reflect the needs, beliefs and values of the couple or family, Celebrants are trained in the art of ceremony.
